

Dear Parents,

We are pleased to announce the launch of **School Cash Online** for Golden Gate Middle School on November 26th, 2015. This system offers parents a convenient and secure way of paying for school items using their credit card online, 24/7.

School Cash Online will limit the amount of cash/cheques handled in schools, reduce paperwork, and result in more focused instructional time in the classroom. This new program will add improved efficiency and transparency in school fee management, and aligns with the district's commitment to strengthening accounting practices.

✓ **Convenient** ✓ **Safe** ✓ **Secure**

We will be using this system to handle payment for items such as field trips and student fees in the future. Most of our Senior years schools are already on the same system, so the account you create now can be used until your child(ren) are finished school in our division.

To enroll, please visit:

<https://sjsd.schoolcashonline.com>.

It takes less than 5 minutes. Registered parents can see their payment history, print receipts, and receive email notifications whenever new student fees are posted for their child.

PLEASE NOTE: If you have any questions during the registration process you can select the **SUPPORT** option in the top right hand area of the screen or contact us at the school. We will also be offering assistance in the front foyer of the school at Student-Led Conferences from 4:30 - 7:30pm on November 26th, 2015.

Sincerely,

A handwritten signature in black ink, appearing to read "A. Lister".
